

# COVER CROP DEVASTATOR

**Knock down cover crops as you plant.**

Attach the 5000 Stalk Devastator™ to your planter or toolbar to roll and crimp tough cover crops in the direction of planting.

**Reduce herbicide costs, control erosion, and improve soil health.**

Spring-loaded, chevron-patterned rollers clear the way for cash crops and create a weed-suppressing mat in just one pass.

# MANAGE COVER CROPS WITH YOUR PLANTER, TRACTOR, OR TOOLBAR

Talk to a Yetter dealer or sales representative for mounting options and details on the Devastator Cover Crop Roller.
